BECOME A VOLUNTEER WATER QUALITY MONITOR

Join the Houston-Galveston Area Council's regional Texas Stream Team network

The Bayou Preservation Association is recruiting interested volunteers to join their local monitoring group as part of their Bayou Citizen Science Program.

Texas Stream Team
Caring for Our Waters

- Join a network of over 400 volunteers state-wide
- Learn water quality sampling techniques
- Monitor a local water body on a monthly basis
- Collect and report important water quality data and observations
